## Profile Summary

With a strong foundation in Application Development, Java, and Web Development, I have completed impactful internships and acquired a diverse skill set in Fullstack Development and Problem Solving. I have secured certificates in Web Development and Applied Cloud Computing from renowned institutions. My academic excellence is reflected in an impressive HSC score of 87.5% and a passion for Data Structures and Algorithms. I am now seeking opportunities to leverage my skills in App Development and Full Stack Development to contribute effectively in a dynamic professional environment.
